Rosemont Mine 404 Decision Delayed – The AZ Daily Star [is reporting](#) that the Corps' South Pacific Division Commander, Col. Helmlinger, will not complete his review of the proposed denial of a 404 permit for the mine before the Administration transition. The Corps LA District prepared a record supporting permit denial in July 2016, but the elevated final decision is necessary because the AZ Governor wrote in favor of the project before the proposed denial.
